Hello Mr. Rosenzweig. Please consider calling me to explain the sad story about a feud between Soma and her neighbor. I wish I knew a way that this woman could find peace. Perhaps you can offer a suggestion when you hear all facts. This mesg is private to you because I hope to "lower the temperature" on this situation by avoiding any more posts on Nextdoor.

Hi Douglas. Whatever is going on, it should not be discussed in the shadows. The issues should be openly spoken.

Thanks for acknowledging my message. I am not trained in the law so my words must be carefully measured. My intention was to share with you many facts that I personally witnessed. Also, you could easily verify with Mont.County Public Schools my info - then you would agree that everyone is wasting their time. It is my sincere belief that after many occasions with this woman, the county no longer responds to her false & outlandish claims. If this gets as far as a courtroom, the mothers of many school children will attest to... ummm... lots of unusual

behavior. I wish this poor woman no ill, and do not wish to publicly embarrass her or her family.
Let's hope she stops soon.
